

KNOW YOUR RIGHTS

KEEP ICE OFF GREYHOUND BUSES!

Greyhound collaborates with ICE agents to terrorize passengers

PASSENGERS, YOU HAVE RIGHTS!

- You have the right to remain silent
- Do not answer questions about your immigration status or sign papers without legal counsel
- You can refuse a search of your belongings by saying “I do not consent to a search”

ICE OFF OUR BUSES!

Every day across the U.S., ICE, the Department of Homeland Security and Customs and Border Patrol agents freely board buses with Greyhound's permission to harass and detain migrants.

Greyhound is not required to allow immigration agents onto its buses, but rather does so voluntarily,

The union that represents Greyhound drivers, mechanics and terminal workers has condemned the company's complicity in the racist war against migrants being carried out by the Trump administration.
